

PRESEASON TRAINING SCHEDULES

REVISION #3 4/12/2010

- 1. Field locations and actual field number assignments will be provided in a day or so. Trash is to be picked up after all events! Now that we head outdoors, all of us will be representing the club in public...and we do things the right way...always!**
- 2. All players must wear their white jersey tucked in and gold shorts to all sessions. Until coaches get their coaches shirts, they are asked to wear navy or white shirts.**
- 3. Players must be equipped for sliding at all times (sliding shorts)!**
- 4. P & C means pitchers and catchers only. Position players are not required to attend. Check with your individual team coach if you are to attend these sessions.**
- 5. Pitchers are asked to provide their own catchers (parent) in case they are needed as most teams have 3 – 5 pitchers and 2 – 3 catchers. In addition to your team pitching coach, the club will have one of our pitching instructors at all these sessions to further aid in development.**
- 6. We are working to add weekday scrimmages & clinics on dates not listed on your team schedule. You will receive ample notice once a scrimmage/clinic is scheduled. Scrimmages listed are verse other CHIX teams unless noted otherwise.**
- 7. This is a proven winning development format which includes an ideal balance of game play (scrimmages), team drill time, and individual development sessions.**

The group atmosphere not only builds club spirit and passion for the game, it provides younger players the opportunity to learn from older players while also developing valuable role model traits and responsibilities to their younger counterparts - - this is when the CHIX take things to the next level!

- 8. Check your email before leaving to any event in case of last minute changes...regardless of weather! Go CHIX!**

PRESEASON SCHEDULE
